

REMARKS

Claims 1-28 are pending in the above-referenced application. Claims 1-28 have been subjected to a restriction requirement. In particular, the Office Action has restricted the claims into two groups. Group I includes claims 1-22 drawn to a computer graphics system and Group II includes claims drawn to a graphics pipeline. The restriction requirement states that the Groups are related as combination and subcombination.

In response, Applicants elect Group I (claims 1-22) to be examined in the present application.

Respectfully submitted
